"I cherished the experience I had while attending NYSSSA and I strongly encourage my students to attend the program."

Gary Wurzer instructing students in Drawing and Painting class

"Coming from an art-deprived town, NYSSSA gave me a broader perspective. One of the teachers said something I'll never forget: "After NYSSSA, you'll know if you want to pursue art." He was right -- I discovered I did want to be an artist -- it's who I am."
